3A0100B02	Genicom 38X0/39X0 15M Extended Life Cartridge Ribbon
3A1600B21	Genicom 3800 15M Extended Life Cartridge Ribbon

To ensure continuous print operations, we recommend:

- **Upgrade to a TallyGenicom 6800 or Printronix P8000 printer, a seamless and improved solution with the following benefits:**
 - Reduced Cost of Ownership - an estimated 25% cost per page savings over your current model
 - Superior up-time reliability, performance, print quality and lowest cost per page printing
 - Go to: www.tallygenicom.com to learn more about current line matrix printers

To discuss print/upgrade analysis, purchase or finance options, contact your Printronix solutions expert or visit us at www.primtronix.com to find a Printronix office nearby.
